**(Palm Springs, CA) March 8, 2024...** Palm Springs Gay Men's Chorus is set to welcome legendary dance artist Kristine W in concert for **"Defying Gravity" April 25-28, 2024** at the mid-century modern gem, the Palm Springs Art Museum Annenberg Theatre.

"Our spring concert is a collection of uplifting and inspiring music by artists like Coldplay, P!NK, Katy Perry, the Fifth Dimension and more. Highlights include "From Now On" from The Greatest Showman, "Stand Up" from Harriet, and Joseph Martin's stunning "The Awakening," just to name a few. Our unforgettable guest artists always bring a fresh voice and unparalleled energy to our audiences, and Kristine W is no exception! In short, this program amplifies PSGMC's message of resilience and love," said Jerry R. Soria-Foust, Artistic Director, PSGMC.

PSGMC's spring concert **"Defying Gravity,"** presents a concert that celebrates the human spirit and inspires us all to break the bounds of gravity and soar beyond the limitations put on us.

Named by Billboard Magazine as the #8 Greatest Dance Artist of All Time and the #3 greatest from the Last Decade (trailing only Madonna and Beyoncé), Kristine W (pictured) is a proven lasting talent.

Through nearly twenty-five years in music, she has consistency delivered songs that touch hearts and souls and compel bodies to find the mighty groove out on the dance floor. She's had 17 #1 singles, tying Mariah Carey for the sixth-most Billboard #1 dance hits. In addition, Kristine made waves in the cabaret circuit, alongside her longtime friend, the Emmy® Award winning TV personality, Carson Kressley.

Together, the dynamic duo toured the USA, presenting lovely evenings of comedy and Jazz music classics in a live stage show called *Straight Up with a Twist*.

Kristine W has made a career by focusing on the art and profession of being a singer, songwriter and musician. She enjoys a grassroots mutual affection with fans who revere her voice; appreciate how the aspects of life and emotions she sings about echo their own feelings and experiences.

"A warrior for the LGBTQ+ community and cancer survivor makes her appearance in **"Defying Gravity"** a perfect fit. You will not won't want to miss this exhilarating concert," said Jerry R. Soria-Foust, commenting with a big smile from ear-to-ear.
